### Your relationship with Aerius:

Advisory Board member since Spring 2004

### Current Employer:

KPMG Business Advisory Services

### Since:

2002

### Function:

Senior Manager

### Job Contents:

Strategic Consulting on Aviation and Transportation

### Previous employer:

Amsterdam Airport Schiphol

### Previous Function:

Director Cargo

### Professional experience:

Gert-Jan is involved in the transportation and logistics sector since 1986 when he became active in the air cargo forwarding industry where he had several marketing and management positions. In 1991, he was appointed as marketing manager transportation at the Amsterdam Port Authority.

After two years, he left the Port agency for Amsterdam Airport Schiphol where he was marketing manager cargo for five years and director cargo. At Schiphol Airport, he was amongst other issues responsible for the development and implementation of the cargo strategy and communications. He was also a member of the Schiphol Masterplan 2015 team and chairman of the Efficient Cargo Communications project that improved the quality of the physical air cargo handling process at the airport. In his capacity as vice-chairman of the Air Transport Association in the Netherlands (ATAN), he did major efforts to establish a new air cargo trade association called 'Air Cargo Netherlands (ACN).

Gert-Jan is senior manager at KPMG Business Advisory Services since 2002 and has a broad experience in sales and marketing in North-America, the Middle-East, the Far East and Africa.
