
President's Speech

Dear Reader,

In September Aerius celebrated it's tenth anniversary. On a fine day approximately 50 Aerius members, board members, former board members and aviation enthusiasts gathered for a great day at the Aviation Museum Aviodrome. It was the perfect place to remember the previous 10 years of our association! Aerius is currently gearing up for another year. Four new board members will join us in January, while three current board members will be resigning (Linda Bos, Tom Goossens and myself).

Airlines is ever growing, thanks to the great efforts of our editorial team. Coming season Aerius will be investing more time and energy in further enhancing the Airlines Magazine. We hope to see the appearance of several extra online services next Spring.

The past one-and-a-half years that I shared with Aerius turned out to be a turbulent but highly exciting time. But even though money and time where limited and blizzards (believe it or not) became a critical annoyance. However we did manage to set up a range of (sometimes highly) successful and interesting events!

For now I would like to thank my fellow board members, the editorial team and the members of Aerius for an enormously dynamic and diverse year! I have had a wonderful learning experience with Aerius. I hope that it may be as much of an experience for our new crew!

Enjoy issue 28!

Yours truly,

Daan de Jong
Aerius President
